

# LAZARSKI AVIATION ACADEMY

**Lazarski Aviation Academy is a dynamically developing research center run by two units of Lazarski University: the Faculty of Law and Administration and the Postgraduate Education Center.**

-  We offer unique studies combining the aviation industry with law and business.
-  We conduct scientific research and organize conferences attracting experts from around the world.
-  Our consistently implemented strategy gives us a high position in the world of science.
-  We have been taking the highest positions in rankings for years and systematically achieving further successes.

## WHAT'S UNIQUE?

- We are the only center in Poland that very closely combines legal and business studies with the aviation industry. We educate highly specialized professionals and place great emphasis on practice and individualization of the teaching process.
- We have professional, certified flight simulators on campus, operated by our partner Goldwings Flight Academy, as well as our own laboratories and training simulators.
- The center is equipped with modern simulators: A320 FNPT II/MCC, DA 40/42 FNPT II, ALSIM AL250 FNPT II.
- We work with world-class experts.
