

NFZ

Polish National Health Fund

Please note that every foreign student applying at Lazarski University should sign the NFZ commitment that obliges a student to get the NFZ (Polish National Health Fund) insurance after arrival to Poland.

It is the best option for us to make sure that our students are safe and will get medical help if needed.

According to this commitment, you are obliged to bring to our office a confirmation that you have bought NFZ insurance within 2 weeks after your arrival to Poland. The insurance must cover at least the 1st semester of studies with the need of further extension for the entire period of study. Insurance covers basic medical services, including treatment and hospitalization. Approximate cost is 386 PLN/ half a year.

List of the required documents to apply for NFZ insurance:

1. Application for insurance coverage - 2 copies.
2. Passport (copy and original for verification).
3. Student ID card valid until March 30th or confirmations from the Registrar's Office about being enrolled for the studies (copy and original for verification).
4. Document confirming residence in the territory of the Republic of Poland: dormitory/apartment rental agreement (copy and original for verification).
5. Power of attorney of the parent (only for underage students) along with a copy of the passport of the parent and attorney.
6. Declaration - 1 page.
7. Information clause (video monitoring) - 2 copies.
8. Information clause (GDPR) - 2 copies.

In order to get help with filling in the application and to receive all the required forms to apply for NFZ insurance, please contact Student Help Desk under the email studenthelp@lazarski.pl.
